***All instruments run on a wireless system. Please have 5 xlr/mic lines available on rear right stage for our wireless system. We will also need access to power on rear right stage. Please do not set mic stands for the instruments.**

***We will need access to one Aux send for ear monitors.**

***CHHR will provide a FOH engineer. Please have staff available to assist with any needs.**

If you have any questions please contact Thom Hassler (931)261-6491.
