Merry Christmas Darling: Carpenters' Christmas
2018 HOSPITALITY RIDER (8-PIECE BAND)

Producer & Production/Tour Manager:

Mark Brett (Advance contact) – 860.377.1912 – markbrett1912@gmail.com

1. Advertising & Promotion:

- a. *PURCHASER understands that the name of this event is “MERRY CHRISTMAS DARLING: CARPENTERS’ CHRISTMAS” and must be billed and advertised as such, as specified in the Engagement Agreement.*
- b. Starring “Michelle Berting Brett”.
- c. Only materials provided by Trajectory Productions Inc. will be permitted for advertising this event.
- d. Show poster and promotional photographs provided by Trajectory Productions Inc. shall be used in print, online, and in-house promotional material.
- e. Video and audio clips provided by Trajectory Productions Inc. will be used in any online, television, and radio advertising.

2. Hotel:

- a. NINE (9) single rooms, possibly EIGHT (8), for each performance night and one travel night as needed. (Holiday Inn or better with complimentary WIFI Internet service and continental breakfast).
- b. Rooming List to be provided by Trajectory Productions Inc.

3. Hospitality (Food/Beverage):

- a. Dressing Room: Fruit tray, veggie tray, meat & cheese tray, assorted chips, breads, water, coffee & tea, and soda (regular & diet).
- b. Catering: Hot meal or buffet for NINE (9), or \$25.00 per person meal buyout between sound check and show time. Buyout should be given IN CASH to Production Manager upon arrival for sound check. (\$225.00 in \$20.00 & \$5.00 bills.)

4. Transportation:

- a. Fly Dates: Transportation between airport/hotel/venue will be required for NINE (9) people plus luggage and instruments.
- b. In some cases the band will be arriving from different parts of the country. Every effort will be made to have all arrive at the same general time in order that only one airport run may be required. Proper notice will be given if more than one run will be required.
- c. Drive Dates: Parking for several small vehicles or ONE (1) tour bus will be required as close to stage door as possible for load-in, load-out, and show. Vehicle type(s) and numbers to be advanced.

Merry Christmas Darling: Carpenters' Christmas
2018 TECHNICAL RIDER (8-PIECE BAND)

1. **Sound:** In the event that the PURCHASER / PRESENTER'S facility does not conform to the ARTIST'S minimal technical requirements, as outlined below, additional personnel and/or production may be required and is the sole responsibility of the PURCHASER / PRESENTER. If the facility does not conform to the show's minimum requirements, please notify the Tour Manager immediately. Please have all sound equipment including the house sound system and accessories (sound boards, microphones, speakers, cables, monitors, etc.) and all backline instruments and amplifiers present and fully operational no later than 5 hours before the scheduled event start time. ARTIST will arrive approx 4 hours before show time.

2. **Personnel:** PURCHASER shall provide and pay for the following personnel:
 - a. Front of house engineer with full working knowledge of system.
 - b. Monitor engineer with full working knowledge of monitor system.
 - c. Video system operator with full working knowledge of video system.
 - d. Light Designer with full working knowledge of light system.
 - e. Backline tech with full working knowledge of all backline.
 - f. TWO (2) Spot op's.

3. **Front of House:** ARTIST does not travel with an FOH engineer so the FOH console is ultimately the vendor's choice. PURCHASER must supply a professional 3 or 4 way sound system capable of producing a 20 Hz to 20 kHz frequency range at 100 db SPL on the back row of the venue. Line array system is preferred. Acceptable brands are JBL, EV, Meyer Sound or Claire Brothers. Front fill should be provided along the down stage lip. In venues where there is a balcony, consideration must be given to ensure full and even coverage to all balcony seats. Digital consoles are REQUIRED for both Front of House and Monitors. Preferred digital mixing consoles (FOH & Monitor) are: Yamaha M7CL, or Digidesign Venue series. These consoles are for the sole use of ***MERRY CHRISTMAS DARLING: CARPENTERS' CHRISTMAS***. Digital console software should be completely up to date and contain all required eq's, FX, compressors and gates.

4. **Wireless (RF) Channels:** PURCHASER to provide THREE (3) handheld wireless microphones (Shure UR4D+ series) and THREE (3) UR2 series transmitters with STANDARD SM-58 capsules are required. Mics should be tested and in excellent working condition before ARTIST arrival. Batteries should be changed between sound check and show time.

5. **Monitors:** ARTIST does not travel with a monitor engineer so the monitor console is ultimately the vendor's choice. Digital console (as above) is required. Monitor world should be stage left where possible. EIGHT (8) separate monitor mixes will be required as per stage plot- *To Be Determined: In Ear Monitor or Wedges upon advance.*
6. **Lighting:** PURCHASER shall provide a lighting designer (LD) who will be available at sound check until the conclusion of the event.
 - a. PURCHASER shall provide a minimum of two (2) spotlights and two spot light operators.
 - b. PURCHASER shall provide appropriate SHOW lighting (minimum of 48 cans) with assorted colored gels of reds, blues, ambers and whites. Each color should wash entire performance area.
7. **Risers:** THREE (3) risers will be required (see stage plot) – one for drummer, one each for background vocalist and reeds player.
8. **Video:** Purchaser to provide video play back system to accommodate show multi-media. System to include:
 - a. Video system operator who will be available at sound check until the conclusion of the event.
 - b. 9'x12' Video screen (Minimum) mounted center stage above drum riser. Screen must be easily visible from all house seats. Can be front or rear projector.
 - c. Minimum 5000 lumen projector. Focused on the screen.
 - d. House video computer for video playback.
