

# Technical Requirements

For: Loren Barrigar and Mark Mazengarb

## Stage Setup

Loren and Mark require the following stage set up:

- Two vocal mics (Quality – SM58 or better) and two mic stands
- Two Direct Input boxes
- Two separate monitors and mixers

## Lighting Setup

Loren and Mark do not require any particular lighting effects. Typical performance stage and mood lighting is adequate.

## Sound Setup

Loren and Mark require a PA system of size proportional to the venue size & capacity. For venues bigger than 100 seats, a sub-woofer is required. Please consult Loren and Mark regarding specific venues and required PA equipment.
