Enthusiastic fans range in age from pre-teens and teens that are experiencing a new love for the timeless music of Tom Petty & the Heartbreakers and their first live concert, to older fans who have adored Tom Petty for the past 40+ years. Reactions from the crowd are nothing less than stellar at every show! Even the most skeptical Tom Petty fan has his doubts laid to rest from the moment the show starts: As the editor of a Portland Entertainment Publication put it, "Once they hit the first note I was in awe, nothing could have prepared me for this experience. If someone told me I would be seeing Tom Petty live right before my eyes I would have said they were crazy. I was wrong, Frank Murray does Tom Petty better than Tom Petty himself, I can't wait to see them again!"

Murray is a very well-respected veteran Guitarist/Vocalist originally from Portland, Oregon. He is the recipient of the 2016 Hollywood FAME Career Achievement Award as a Tribute Artist and the 2017 Hollywood Producers Choice Honors Award as Outstanding Tribute Artist. He has performed with a number of national recording artists, many world class touring sidemen and some of the top bands in the Pacific NW over the last four decades. His uncanny visual, musical and vocal similarities to Petty on and off stage have had crowds constantly doing double and triple takes for years!
